

## Accelerated Reader Acceptable Use Policy

Accelerated Reader (AR) is a school-wide program which personalizes reading to each student's level. Students have quarterly and yearlong personal goals they strive to achieve. Ultimately, it is hoped that the AR program fosters a love of reading within students.

Below are responsibilities Churchill students have when using the Accelerated Reader program:

-  I understand that I am not to log into Accelerated Reader using anyone else's name or initials.
-  I also understand that I am not to take a quiz for anyone else, give answers to other students, or ask other students for help with the quiz I am taking.
-  If I do not follow these rules, I understand that Accelerated Reader privileges will be taken away and further disciplinary action may result.
