100  
DAYS!

## Miss Brecheisen's "Buzz" Weekly Newsletter

### This week in class:

•We had a wonderful week learning all about transportation and the different modes. The students came up with some interesting ways to travel. Some including: scooters, hot air balloons, parachutes, tow trucks, and my favorite—a police car! They truly enjoyed decorating their cars and participating in the assembly line. We had a wonderful time at the “drive-in movie”. Please enjoy a couple photos from the day!

### Upcoming Events:

- ❖ Our Valentine's Day party will be taking place on Tuesday, February 14 from 9:30-10:30. We are in need of the following for the party: **parent helpers, games, and a sweet snack**. If you are able to come in and volunteer or send in something, please email me or Lisa Purcell at [purcell@independent-days.com](mailto:purcell@independent-days.com). Thank you so much!
- ❖ Early Release day on Friday, February 17 at 11:40.
- ❖ No School on Monday, February 20 due to President's Day.

### Family Note:

•Give your child many opportunities to explore different kinds of measurements in natural settings. You are using math ideas when you compare the sizes and weights of things, how far away or close they are, or how much more of something you need. It is helpful to get in the habit of using terms such as *bigger, smaller, longer, shorter, heavier, lighter, closer, farther, more, and less*.

•Look around for the many tools that we use to measure things, such as scales at the grocery store, dials in the car, thermometers, growth charts, and measuring cups.

### Information/Reminders:

- ❖ Thank you to everyone who was a part of our box car assembly. We appreciate everyone's time and patience with this fun project! 😊
- ❖ We will be celebrating our 100<sup>th</sup> day of school on Thursday, February 9. This day will center around the number 100 and we will do many activities celebrating that we are 100 days smarter! **If you volunteered to send in a snack item (and I've already assigned it to you), please send it to school no later than Wednesday, February 8. Thank you!!!**
