

District 153 Invites you to Help Us...

## GIALS WALSS 28.21.18

Get the new school year off to a great start for our community's kids by "chalking the walks" of Homewood with positive, encouraging messages that they will see on their first day of school, Aug. 22!

Chalk your house! Chalk your whole neighborhood!

Chalk the bus stop! Chalk your business!

Then take pictures of your message and post on social media with the hashtag:
